### Country / Region:

Prod cou = Production country  
 VA src cou = Value added source country  
 Exp cou = Export country  
 Imp cou = Import country  
 FD cou = Final demand / destination country  
 World = total world i.e. indicator with no partner dimension

### Industry:

Prod ind = Production industry  
 VA src ind = Value added source industry  
 Exp ind = Export products producing industry  
 FD ind = Final demand products producing industry  
 Tot ind = Total industry
