## Synthetic table

**Please cite this chapter as:**

OECD (2012), "Synthetic table", in *OECD Science, Technology and Industry Outlook 2012*, OECD Publishing.  
[http://dx.doi.org/10.1787/sti\\_outlook-2012-33-en](http://dx.doi.org/10.1787/sti_outlook-2012-33-en)

This document and any map included herein are without prejudice to the status of or sovereignty over any territory, to the delimitation of international frontiers and boundaries and to the name of any territory, city or area.

The statistical data for Israel are supplied by and under the responsibility of the relevant Israeli authorities. The use of such data by the OECD is without prejudice to the status of the Golan Heights, East Jerusalem and Israeli settlements in the West Bank under the terms of international law.

## Synthetic table

Table 10.1. **Comparative performance of national science and innovation systems, 2011**

Country relative position: in the top 5 OECD (★), in the middle range above OECD median (●●), in the middle range below OECD median (●) and in the bottom 5 OECD (○)

	Competences and capacity to innovate									
	Science base			Business R&D and innovation				Entrepreneurship		
	Public R&D expenditure (per GDP)	Top 500 universities (per GDP)	Publications in the top-quartile journals (per GDP)	Business R&D expenditure (per GDP)	Top 500 corporate R&D investors (per GDP)	Triadic patent families (per GDP)	Trademarks (per GDP)	Venture capital (per GDP)	Patenting firms less than 5 years old (per GDP)	Ease of entrepreneurship index

Note: Non-OECD countries are also compared to OECD countries and may therefore be out of range (e.g. lower than the lowest OECD country). They appear in this table with top five and bottom five OECD values.

\* Israel: "The statistical data for Israel are supplied by and under the responsibility of the relevant Israeli authorities. The use of such data by the OECD is without prejudice to the status of the Golan Heights, East Jerusalem and Israeli settlements in the West Bank under the terms of international law."
